

May 2, 2018

Dear City of West Bend Property Owner;

On **Monday June 25th, 2018** the City of West Bend and the Downtown West Bend Association will again host the **Tour of America's Dairyland Bike Race** on several city streets surrounding the Downtown area. Attached to this letter are two race course routing maps and the streets that will be closed for the duration of the race day which is scheduled from **10:30 A.M. to 9:00 P.M. on Monday June 25th**. Note: Some roads will begin closing at 8:30am and will reopen by 9:30pm.

Map #1 indicates the actual race area that will be closed entirely and will only allow controlled foot traffic access periodically in-between scheduled races, but there will be virtually no "drive-in/drive-out" access within the race routing boundaries.

Map #2 is the outer perimeter which will be posted with "No Thru Traffic" and "Road open to Businesses" signage, and manned by police staff. Residents affected by this outer perimeter will be able to get to homes and customers to businesses.

The West Bend Police Department will be staffing each intersection to maintain the overall safety of the event and surrounding areas. The assigned officers and staff will work to provide as much access as possible to affected businesses and residences while maintaining the safety of the participants and spectators.

TOAD is the largest competitive cycling event in the USA. The organization is entering its 10th year of racing in Wisconsin, with multiple sponsors including the Kwik Trip, TREK, Collectivo Coffee, and Kemps. The TOAD tour stops in a different city each day during the annual 11-day tour and attracts more than 6,000 competitive bikers and thousands of spectators to each city. In 2018, TOAD Bike races are also scheduled for Grafton, Wauwatosa, Shorewood, East Troy, Waukesha, Port Washington, and Bay View.

If you would like additional information about the street closures, **please contact the Downtown West Bend Association at (262) 338-3909** or email at anna@downtownwestbend.com or City Tourism and Events Coordinator, Jackie at (262)-335-5086, or email at jmwbprf@ci.west-bend.wi.us.

Regards,
Jackie Maynard
